ORGANIZED BY:

BCI AEROSPACE

OFFICIAL SUPPORTS:

ENGINE FORUM KOBÉ

Engine Forum Kobe is a supply chain event dedicated to aero engines, gas turbines and other propulsion and power generation equipment. It will be a unique venue for OEMs, Tier 1 suppliers and contract manufacturers to connect through pre-arranged one-to-one meetings.

Engine Forum Kobe will also feature a plenary conference where prominent speakers will address the industries growth opportunities, future technology directions and how supply chain companies can improve their performance.

You can take advantage of 4 opportunities to network and enhance your business:

- Pre-arranged one-to-one meetings between participants
- High-level conferences and workshops led by industry experts
- Industrial visits
- Gala dinner

2022 PROGRAM

OCTOBER 25

- Plenary Conference
- BtoB Meetings
- Gala Dinner

OCTOBER 26

- BtoB Meetings
- Workshops

HYOGO PREFECTURE – A GATEWAY TO THE ASIA-PACIFIC REGION

The capital of Hyogo Prefecture, Kobe is one of Japan's principal ports and grew during the period of Japan's modernization. The region has history as pioneer of Japan's globalization and networks with the rest of the world have been developed in this area.

It has a broad spectrum of industrial clusters from heavy industries and SMEs with outstanding technologies and expertise to locally based industries.

Many foreign-affiliated companies as well as research and manufacturing facilities belonging to a number of major Japanese companies in the aerospace industry are located in Hyogo Prefecture.

It is also home to many corporations related to the maritime industry, including shipbuilding companies and marine equipment manufacturers.

Whether your applications are in engine, gas turbines or power generation equipment, Engine Forum Kobe 2022 is the right platform for you !

Major aerospace and turbine companies in Kansai:

- Kawasaki Heavy Industries
- Mitsubishi Heavy Industries
- Mitsubishi Hitachi Power Systems
- Sumitomo Precision Products
- Shinmaywa Industries
- Shimadzu
- GS Yuasa Technology
- Kobe Steel

EXPECTED KEY FIGURES

200 companies

15 countries

2000 BtoB Meetings

WHO CAN ATTEND?

You want to meet suppliers and manufacturing partners!

You are involved in:

- Supply chain
- Procurement
- Purchasing

- Fabrication
- R&D, etc

You want to sell your capabilities, products or services!

You are involved in:

- Sales
- Marketing
- Business development
- Technical promotion, etc

WHAT IS ENGINE FORUM KOBE'S TECHNICAL SPECTRUM?

APPLICATIONS

TYPE OF ENGINE

- Aircraft engine
- Rocket engine
- Industrial gas turbine
- Steam turbine
- Diesel turbine
- Gasoline engine
- Hydrogen engine
- etc

TYPE OF INDUSTRY

- Aerospace
- Marine vessel
- Automotive
- Energy
- Power generation

SYSTEMS

- Fans
- Compressors
- Transmission structures
- Combustion chambers
- Fuel and injection systems
- Rotative systems
- Installation & control
- Nacelles
- Power infrastructures and Smart Grid

HOW TO SIGN UP AND PREPARE YOUR MEETINGS?

1

Fill out a short form and provide us with information on your capabilities, applications and needs.

2

Access detailed profiles of all the attendees from our online catalogue.
